Thanks for participating in last Thursday's UHRC Policy Group meeting.

We discussed the following:

UHRC Operations:

- The UHRC continued its operations from 7am to 5pm, Monday - Friday.
- The UHRC continues to receive increasing requests for assistance and coordination. Staffing and department resources will be discussed at a future meeting.
- Venice & Globe (/ Tuller) will again be a priority location for the UHRC and CD11. CD5 is making it a priority, as well, and both council offices have made a commitment to use one of their CSLA days each month at the location. LAHSA continues to distribute trash bags. LASAN made a commitment to pick up trash there Monday-Wednesday-Friday, and additional days as needed. LASAN will explore installing a sharps receptacle and possibly providing a temporary port-o-potty that will be monitored. LASAN will also look into installing additional wire trash baskets at the location.

Discussion of UHRC Spot Cleaning vs. CSLA vs. Rapid Response Protocols:

- The Policy Group discussed questions raised by LAHSA about LASAN Rapid Response and Spot Cleaning protocols. Attached are the current LAMC 56.11 protocols and Gonzalo's LAMC 56.11 training PowerPoint slide deck.
- The UHRC shall be the central point of contact for any questions about cleanings across the City.

Action Item(s):

- LASAN will conduct an inventory of its large metal sharps receptacles and small plastic receptacles and report back at the next UHRC Policy Group meeting.

Notes from the 1/31 UHRC Policy Group meeting are attached.

Please let me know if you have any questions, or if I have missed (or misstated) anything from the meeting.

Thanks so much!

Brian
